A 3D architectural visualization of the UH Mānoa campus. The buildings are rendered in a semi-transparent blue and white style. A network of glowing blue lines and circular nodes is overlaid on the scene, connecting various points across the campus. A blue location pin icon is positioned above the 'University of Hawaii Mānoa Bookstore' label. The 'UH Campus Center Ballroom' label is placed over a central building. The 'Correa Rd' label is positioned over a road in the background.

A 3D city model showing a dense urban area with numerous red rectangular blocks representing building footprints. The model is viewed from an elevated perspective. The interface includes a zoom control, a 'Learn more about 3D Tiles' link, and a timeline at the bottom showing dates from August 1, 2016, to August 2, 2016.
