

Affordable Healthcare

2023 HACC Presentation

Jenly Chen
Software Developer

Nick Choy
Quality Assurance Manager

Ethan Ibanez
Quality Assurance Intern

A person wearing a light blue blazer is holding a tablet. A teal banner with white text is overlaid across the middle of the image.

Who is Tyler Hawaii?

Think about it

What's covered?

How much is this going to cost me?

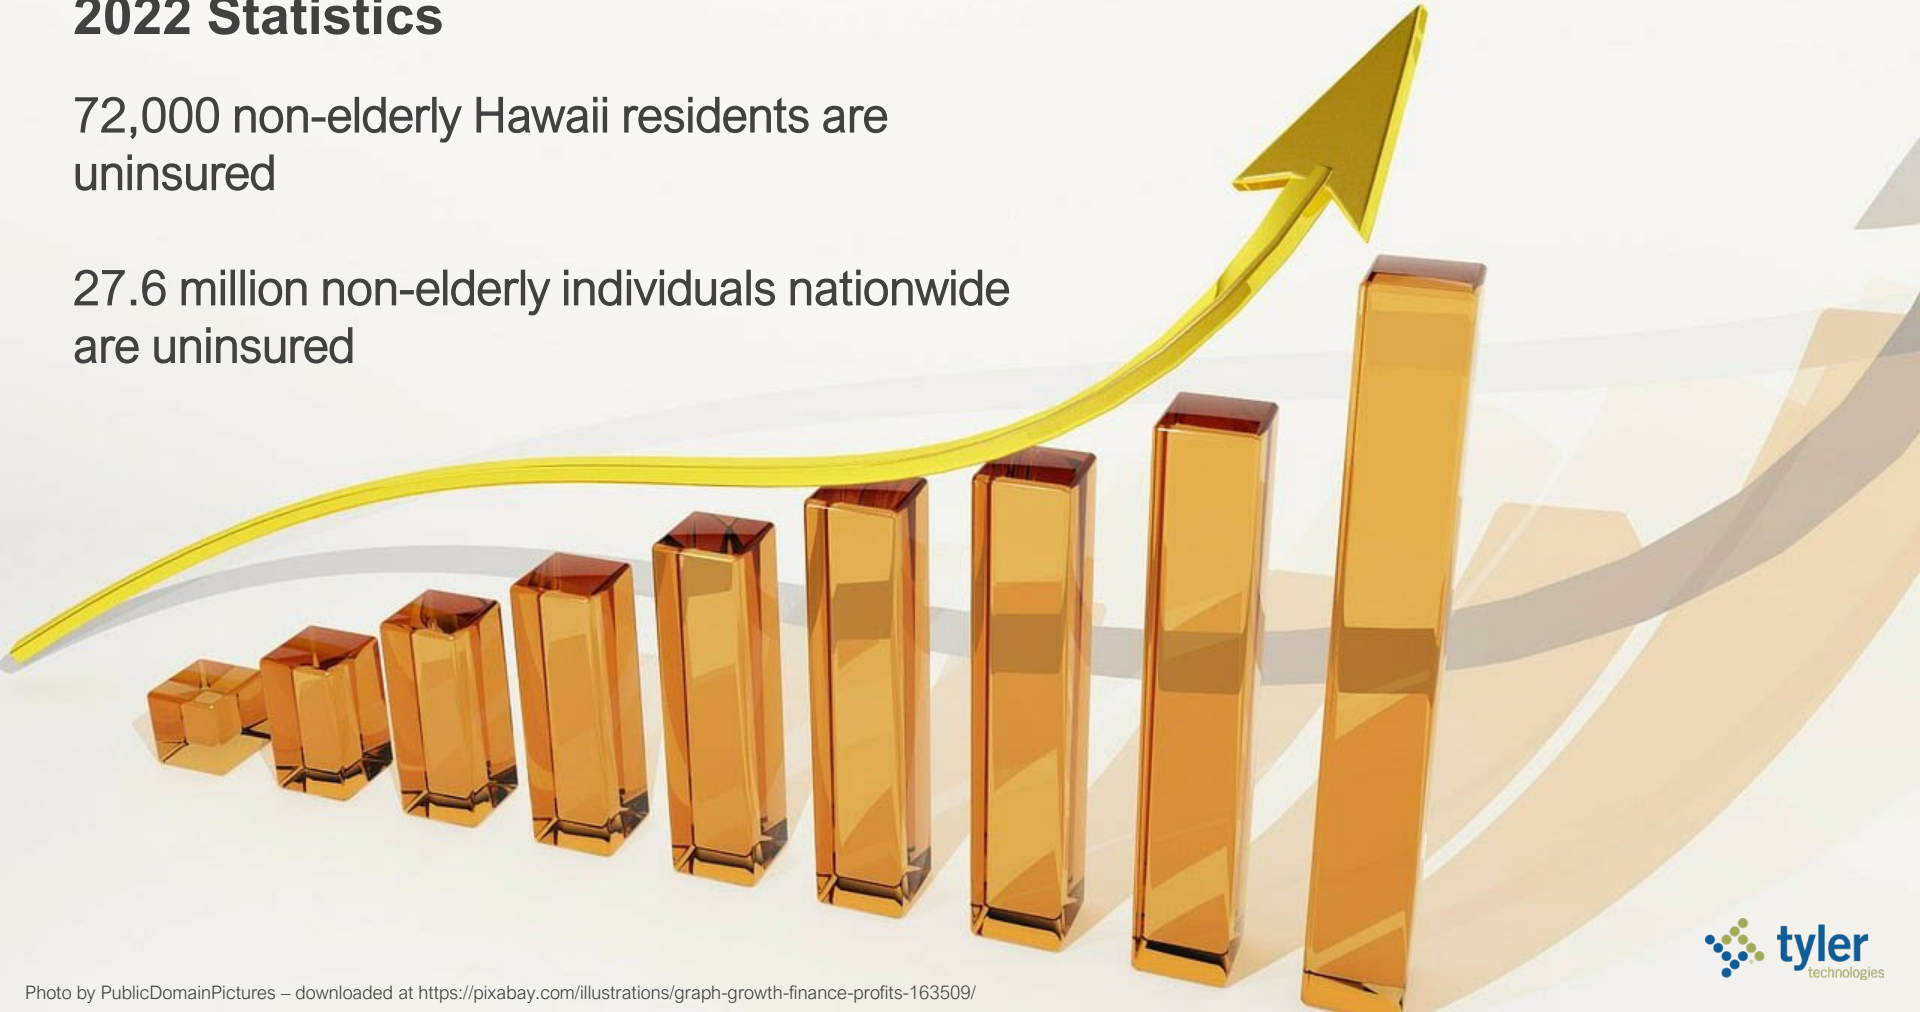

Does my insurance cover this?

What if I don't have insurance?

2022 Statistics

72,000 non-elderly Hawaii residents are uninsured

27.6 million non-elderly individuals nationwide are uninsured

A close-up photograph of a person's hand using a black computer mouse. The hand is positioned on the left side of the frame. In the background, a blurred office environment is visible, including a computer monitor and a keyboard. A teal banner with a white border is overlaid across the middle of the image, containing the text "What if...".

What if...

The Solution

Create an application that allows users to quickly find healthcare resources based on criteria they enter.

Ideas

- Website, mobile app, or both
- Accessibility
- I18N and L10N
- GIS Implementation
- AI
